

The registration form is available on the workshop website
<http://www.easn.net/workshops/1/13/>

Please fill in the form and send by e-mail to
conference@easn.net for your electronic registration, or fax a
 clear printout of the filled-in form to +302610997190.

**The registration form must be sent by September 15th in
 order to obtain clearance to the EADS IW premises.**

Workshop fees

Early registration: 190 € (EASN members*: 140€)
 Late registration: 220 € (EASN members*: 170€)
 Students: 100 €

* *Members with an active registration in the EASN
 Association. Please consult the EASN website to check your
 membership status.*

The workshop fees cover:

- full papers on CD-ROM
- coffee and lunch breaks
- EASN individual membership fees for 1 year (not for
 students)

The registration fees can be paid by:

- Direct bank transfer. **Please do not forget to mention
 your name.** The bank slip should be sent to the Conference
 Secretariat.

Account Holder: EASN Technology Innovation Services
Bank Name: BNP PARIBAS FORTIS BANK
IBAN: BE 42 0016 1195 1454
BIC: GEBABEBB

- On desk by cash only.

You may also choose to book a hotel in Paris, as there are several connections to the workshop venue by the following means of public transport:

By tram, from La Défense station

By train, from Saint-Lazare railway terminal

By metro, line #10 to Boulogne Pont de Saint-Cloud and then bus 175

Detailed instructions on how to arrive are available on the website of the workshop.

In the frame of EASN knowledge and innovation dissemination activities, the first EASN Association workshop on Aerostructures aims to offer its participants a forum to present the latest advancements in the area of Aerostructures.

Presentations include, but are not limited to, scientific papers linked to ongoing or completed research projects as well as research advancements made from EASN Interest groups members.

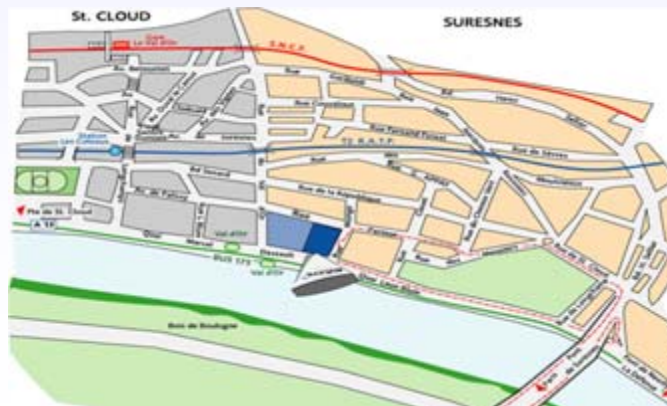

Participants from Industrial and research organizations are also cordially invited to the workshop for presenting scientific papers and/ or research results linked to ongoing research activities in the field.

The workshop is focused on the area of "Aerostructures", including:

- Metallic Materials & basic processes
- Non-Metallic Materials & basic processes
- Composite Materials & basic processes
- Advanced Manufacturing Processes & Technologies
- Structural Analysis and Design
- Aero-elasticity
- Buckling, Vibrations and Acoustics
- Smart Materials and Structures
- Structures behaviour and Material Testing

Venue

EADS IW,
Quai Marcel Dassault
92152 Suresnes
Paris, France

Prospective authors are invited to submit a 200-300 word abstract in Microsoft Word format until **June 25th 2010** to conference@easn.net. Formatting instructions for the full length paper will be sent with the notification of acceptance. Full length papers should be submitted no later than **September 15th, 2010**. Notification of acceptance by August 30th, 2010

Selected papers will be published in a special issue of the International Journal of Structural Integrity (IJSI – Emerald) following peer review. Authors who wish to have their papers published in the special issue of IJSI, must submit the full length paper no later than **July 15th**. To submit your paper online for publication in IJSI, you must first create an author account at <http://mc.manuscriptcentral.com/ijsi> then follow the on-screen guidance which takes you through the submission process. At the 'please select the type of issue' (submission step 4) **please highlight "1st EASN Association Workshop on Aerostructures"** in the dropdown list

Selected papers will also be published in the International Journal "Stran" (Wiley-Blackwell)

If you are interested in advertising your company in the special issue of IJSI, please contact Mrs Emily Hemus at EHemus@emeraldinsight.com

Important Dates

Abstract due:	25/06/2010
Notification of acceptance:	02/07/2010
Paper due:	15/09/2010
Early registration:	30/06/2010
Workshop:	07-08/10/2010
